No definite number of casks is however guaranteed for transport to the successful tenderer who is bound by actual requirements (be the same more or less than the number carried in any previous year).

4. Tenderers must specify the lowest rate of remuneration for each cask of arrack to be carried from Mysore and Yedatore Railway Stations to the Depots of Mysore, Heggaddevankote and Hunsur separately, which should include charges for bringing back of the empty casks from there to Mysore and Yedatore Railway Stations. The rate thus tendered and accepted by the Excise Commissioner in Mysore, shall be the rate at which renumeration shall be

calculated on the actual numbers of casks of arrack carried in each case and be payable to the successful tenderer who shall be called "Government contractor, for the carriage of arrack to Bonded Depots" during the currency of the contract granted under this notification.

The contract will include the carriage along with arrack casks of the requisite supplies of Ganja, Proof Spirits bottles and Special Liquor bottles occasionally in deal wood cases to the Depot at Mysore or Taluk treasuries as the case may be in the places noted above from Mysore and Yedatore Railway Stations at a uniform rate of 3 annas per case irrespective of the distance and weight.

The tenders will be opened by the Deputy Commissioner at his office at 2 P.M., on 1st June 1929 in the presence of such of the applicants as may be present. The final disposal of the tenders will rest subject to the approval of the Excise Commissioner in Mysore, with the Deputy Commissioner, Mysore District, who reserves to himself full power to reject any or all of the tenders without assigning any reason.
